

1-3 years old

Checklist: Safety at Home

CHILDSAFETYLINK
Here for you.

Attach large televisions and heavy or tall furniture to the wall with safety straps.

Move your toddler to a low bed once he or she has tried to climb out of the crib.

Keep blind cords out of reach.

Place corner guards on furniture with sharp edges or temporarily remove furniture.

Use window locks or guards.

Turn pot handles in towards the back of the stove. Use the back burners when possible.

Use a baby gate that screws into the wall at the top of the stairs and a pressure mounted gate at the bottom of the stairs.

Stay with your child at all times during bath time.

Use cupboard locks.

Keep all poisons, including medicines, vitamins, tobacco and cleaning products, up high or in a locked cupboard.

Child Safety Link: a program of the IWK Health Centre. Here for you with helpful information to keep your children safe. CSL-2016
