

OUR ORGANIZATIONAL MISSION

TO REDUCE THE INCIDENCE & SEVERITY OF INJURY TO
CHILDREN & YOUTH IN ATLANTIC CANADA THROUGH:

PARTNERSHIP & CAPACITY BUILDING

We develop multi sectoral partnerships to build internal and external capacity and support collective learning.

COMMUNICATIONS & PUBLIC RELATIONS

We communicate evidence based information and engage with diverse audiences using a variety of tools and tactics.

ADVOCACY & HEALTHY PUBLIC POLICY

We advocate for positive change, including support for healthy public policies, that address specific health goals and inequities.

RESEARCH & EVALUATION

We maintain a comprehensive understanding of injury prevention issues through research, monitoring, and evaluation of health promoting initiatives.

OUR FOCUS AREAS

WE ENSURE CHILDREN ARE AS SAFE AS NECESSARY:

AT HOME

Falls,
Poisonings

AT PLAY

ATVs,
Concussions

ON THE ROAD

Child Passenger
Safety, Active
Transportation

AT SCHOOL

Coming Soon!
